

**WANTED:**  
**“Men and Women Who Want to Make Money in Their Spare-time  
By Offering the Best Ear Protection Products in the World  
To a Booming Multi-Million-Dollar Market”**

*Could this be right for you?*

Here's the special information that you requested about going into business selling Big Ear products.

Imagine you turning your road trips and hobbies into a tax write off. Better than that, picture making extra income from them. How?

Now it's possible for you through our *Big Ear Provider Program*. Wherein we set you up in a turnkey business of your own offering our products.

Listen, people are practically banging down our doors to buy our products. Why? Quality counts. As such, our loyal customers keep coming back. But here's a problem.

Due to increased demands, we can't work the trade show circuit anymore like we use to. We've restructured our business model to be more e-commerce and provider focused. What does that have to do with you?

Plenty!

That means we need people (maybe you) to help us reach these vast pools of customers. There's simply so much opportunity, that we can't do it all ourselves. And that's why we're willing to set you up in **your own turnkey business**.

So if the idea of turning road trips, sports events, boating, and more into tax write-offs and lots of cash tickles your ears and gets the blood pumping, then you'll love this new opportunity.

## **Join Our Team and You'll Have 2 Types of Exciting Products You'll Have Exclusive Rights to Offer**

*Take a look at this:*

### **PRODUCT TYPE #1: Solid Ear Plugs**

This is the easiest and highest margin product in our inventory that you can sell. Our solid earplugs are manufactured wherever you need them. It takes about 45 minutes to make them and as a time-saver, you can make multiple sets at the same time. Thus multiplying your product output. As you can imagine, these are great sellers at trade show events and to anyone who needs earplugs.

### **PRODUCT TYPE #2: Impressions Custom Fit Products**

The next popular product you'll offer is our impression made earplugs, which are custom designed to fit a person's ear. This is the crown jewel of our products and why clients love Big Ear. As a Provider, you make impressions of a person's ear, which is really a simple 5-minute process, and then mail those impressions to Big Ear where we manufacture the product. So you make the impression, mail it in, and we handle the rest including handling any warranty claims. It's that easy!

## **You, Will, Have an Inventory of In-Demand Products People Love That Offer YOU Fat Margins**

When you become a Provider, you'll have a complete wholesale list of products covering the cycling, industrial, Marching Band, biking, shooting, aviation, skydiving, boating, sports, MMA, musician, swimming -- and many more hot markets.

***There are so many people you can potentially sell to, it's mind-boggling!***

And get this ...

Unlike other business opportunities, which are flooded with competition, in this one, **you're the big dog**. You won't have to compete for the scraps like most business owners. In this exclusive opportunity, you'll be able to eat the whole steak!

## **Which of These 4 Provider Programs Is Right for You?**

Now I know everyone's personality, schedule, and financial goals are different. As such, I have developed four Provider Programs to choose from. Take a look at the following four and let me know which one is a match for you!

### **Kit #1 – Bronze Provider Program Kit**

This is your basic business start-up kit. This kit includes Your own back office with all the training materials and videos for a proper impression training course and business materials. You will also receive all the social media help to get you up and running in your new endeavor.

Also included, (after all your training is complete), 5 sets of solid plugs, 5 sets of impression material, and all of the necessary supplies, (Except for a battery drummel), and It's just \$575.

Here's how your investment pays for itself and puts cash in your bank account:

Sell the five solid plugs (amounts to \$475) and the five impressions (amounts to \$100 on average, so \$500) and your total revenue is \$975) Keep in mind that some customers will want more than one product!

However results may vary based on the prices you sell at.

What's exciting is we've had Providers do this in a couple of days!

## **Kit #2 – Silver Provider Program Kit**

All of Kit #1 and this kit has additional impression materials giving you the ability to make 20 solid earplugs (including 4 different colors and 5 lanyards), and 10 impressions. Plus, we include a Demo set of our super soft earplugs and an additional set of our lab earplugs in the area of interest for demo purposes. It's just \$999.99

Now let's crunch the numbers.

Sell the 20 solid plugs ( $\$95 \times 20 = \$2375.00$ ). And sell the 10 impressions and that amounts to \$1,000. Total everything up, and you have a total revenue of \$3,375.00

## **Kit #3 – Gold Provider Program Kit**

Everything from Kit's 1 and 2. This is our basic display kit for a show or event. You'll be given proven tools that create a successful presence. Here's what you get: We add in a personal set of BE-1C's as we have found that's the best way to sell the stereo plugs is by actually using them (and customers can see what a custom set looks like). Plus you get a tabletop banner, hanging banner to round out your display. It's just \$1,497.62

Like the #2 program, the total revenue you stand to make is \$3,375.00

## **Kit #4 -- Platinum Provider Program Kit**

Everything from Kit's 1, 2, and 3.

This is your full trade show kit. It's the same one we personally used and it's a proven model that's delivered success for us at hundreds of events across the country. You get materials for 90 solid plugs (in 9 colors) and you receive 20 total impressions. Plus you get two complete table setups with industrial tabletop covers and vinyl skirts, and an extra-large backdrop sign, and 4 hanging banners. Also – 14 sets of product demos are included, including our full set of stereo plugs (BE-2, BE-3, and the BE-5). This kit is yours for \$4,995.95.

Let's look at the money potential.

Sell 90 solid plugs ( $90 \times \$95 = \$8,550$ ) Sell 20 impressions and that comes to \$2,000. Your total business revenue in just 1-3 days is \$10,550

Again, your results may vary if you change the price points on some of the products.

And don't forget, you can turn your road trip into a tax write off too!

Compare the Big Ear Provider opportunity with the standard franchise that requires a start-up cost of \$10,000 or more, plus royalties or a percentage of sales and you realize what a fantastic opportunity this truly is.

It's a quick and easy and fun way to make money doing something you already love!

Now as for which kit you start off with, it's nothing to sweat about. That's because you can start at a lower-priced kit if you wish and move between each kit by paying the difference in price if you want to move up. Also, for your convenience, we can customize any kit to fit your needs.

## **It's a Turnkey Business in a Box – Complete With the Tools and Training You Need to Be a Smashing Success!**

Become a Big Ear Provider today, and you'll be amazed by the training materials, videos, and ads we give you. Our goal is to help you sell out your stock almost immediately.

Listen – we want you to make money – lots of it. This is a synergistic relationship and if you're successful, we're successful too. So you won't ever be left on your own adrift. Absolutely not. We're here to hold your hand and provide you the support you want.

## **Claim Your Exclusive Territory Before it's Taken!**

Is there a catch to all this? Yes. The catch to this is that as exciting as all this is, you may not be able to do any of it. Let me explain.

We protect our Providers. We want them happy and successful. As such, each Provider gets an exclusive territory. Why? We wouldn't you to find yourself in a situation where

you're competing against other Providers. That said, when you contact me today to become a Provider, there is a chance that your exclusive area is already taken!

But – you'll never know unless you ask, right?

So don't delay another moment. Email me at the email address below to claim your territory, or skip to the bottom and order your kit today.

The start-up kits are important because they also include tools you need to make earplugs and impressions. Special otoblocks, the impression gun, tips, and other items needed to begin. After your initial kit then you only purchase refill materials needed.

No Matter which level at which you chose to get involved, you need to get involved today. Once you're a part of the Big Ear Family, you will have immediate access to Big Ear's Provider resources, online training, business plan, business cards, flyers, individualized one on one provider support, trade show/event support, customer referrals and so much more. You will get your initial investment back with just the contents of either kit, plus you receive exclusive provider wholesale pricing on all products and refill materials going forward.

We have attached the credit card authorization form, just fill it out, scan it or take a picture and email it back to me, and we will get you moving forward.

## **Big Ear Inc. Provider Agreement**

- 8) Upon acceptance of this application by the Company, I will be an independent contractor

responsible for my own business and not an employee of the Company, Franchisee, agent, partner, or joint venture. I will not be treated as an employee in regard to any laws covering employees, including but not limited to the Federal Insurance Contributions Act, the Social Security Act, the Federal Unemployment Tax Act, income tax withholding at source or for any other federal or state tax laws. It is my responsibility to pay self-employment, state and federal income taxes, and/or applicable sales and/or other fees or tax as required by law.

9) As an independent contractor, the Provider shall:

- a) Abide by any and all federal, state, county and local laws, rules and regulations pertaining to this agreement and/or the acquisition, receipt, holding, selling, distributing or advertising of Company products.
- b) At the own expense, make, execute or file all such reports and obtain such licenses as are required by law or public authority with respect to this agreement and/or the receipt, holding, selling, distributing or advertising of Company products.
- c) Be solely responsible for declaration and payment of all local, state and federal taxes as may accrue because of the activities in connection with this agreement.
- d) Once a Provider has successfully completed the certified training course to become a Provider, the Provider shall be covered by the professional insurance that was included in the initial start-up cost.

11) Prior written approval from the Company is required to advertise Company products.

12) The Company may immediately terminate a Provider who discredits the Company's Name, violates any requirement contained in this Agreement, Company Policy, and Procedures, or training manuals or misrepresents the Company's products or business opportunity, by making claims contrary to the Company's product literature and labels.

13) This agreement constitutes the entire Agreement between the Provider and Company, and no other additional promises, representations, guaranties or agreements of any kind, shall be valid unless in writing.

**Big Ear Inc. Provider Agreement**

14) This Agreement shall be governed by the laws of the state of Colorado, and all claims, disputes, and other matters between the parties of this agreement shall be brought into El Paso County Court, in Colorado Springs, Colorado, in El Paso County District Court, in Colorado Springs, Colorado or in the U.S. District Court, in Denver, Colorado.

15) The term of Provider is one year. Providers must renew their Provider Agreement each year, no later than the anniversary date of their joining the Company. By renewing, the Provider will retain their area and agrees to accept and affirm that the relationship between the Provider and the Company is governed by the current terms of the Provider Agreement and Company Policies, Procedures and Regulations as well as such amendments to the Agreement and Policies that may be issued by the Company from time to time and upon notice to Providers. If providers are in good standing the company will auto-renew as it sees fit.

16) Provider agrees not to use any Confidential Information as a basis upon which to develop, distribute, or sell or have a third party develop, distribute, or sell a competing or similar product for a minimum of three years. Confidential Information shall include all data, materials, products, technology, computer programs, specifications, manuals, business plans, software, marketing plans, financial information, product manufacturing facilities, product, and material supply companies, and other information disclosed or submitted, orally, in writing, or by any other media, to Provider by the Company. This Agreement shall be governed and construed in accordance with the laws of the United States and the State of Colorado and Provider consents to the exclusive jurisdiction of the state courts and U.S. federal courts located there for any dispute arising out of this Agreement. Provider agrees that in the event of any breach or threatened breach by Provider, Company may obtain, in addition to any other legal remedies which may be available, such equitable relief as may be necessary to protect Company against any such breach or threatened breach.

17) I acknowledge that I have read and understand and agree to the terms set forth in this Agreement.

18) This Agreement is not in force until accepted by the Company.

19) I will read and will abide by the statement of the policies and procedures manual and Confidentiality Agreement.
